BOARD Of EDUCATION

The Board of Education is composed of seven members, who are chosen from the different districts surrounding the community. These men have devoted much of their time and effort in making this a better school.

Art Wilson, the president, has been on the board six years and farms west of Thomas. Robert Lind, who resides on a farm near Manlius, has served the board three years. Asa Drayton has been an active member of the board six years. Mr. Drayton lives in New Bedford and is employed at the Manlius Lumber Company. Glenn Hewitt, a farmer northwest of Manlius, has been with the board five years and represents the Manlius district. Vernon Hartz, who has a farm west of New Bedford has been on the board three years and represents the New Bedford district. Leslie Salzmann and Mervin Glafka are both newcomers to the board this year. Mr. Salzmann lives on a farm south of Thomas and Mr. Glafka resides in Manlius and operates the Glafka Produce.

Mr. Keist is superintnedent of the unit. He has both Master and Bachelor's degree and has been with us for eight years. He teaches practical math, algebra and geometry. He's a good friend of every student and is always willing to help anyone who needs it.

Mr. Davidson is principal of our high school and has received both his Master and Bachelor's degree from the University of Illinois. He teaches geography, typing, and shorthand. He has been with us for six years. Everyone appreciates the hard work he does on the "Mirror" and the paper. We also enjoy his friendly smile and hearty laugh.

Miss Dorothy Peters is a new member of our staff. Before she came to us, she was active in Red Cross work. She teaches English and general science and took over the band when Mr. Vroman left. She also started the Pep Club and was co-director of the Junior Play. Although she has only been here a short time, she is well-liked by everyone.

Mr. Vroman was a new member of our staff. He was a graduate of Western State College. He taught band but had to leave us in November, as he had to go to the army. We appreciate the good work Mr. Vroman did with the band. We were sorry he had to leave us because everyone enjoyed his friendliness.

Mrs. Small has been at Manlius for four years. She teaches Latin, U. S. History, and world history. She is also leader of the Horizon Club. We all appreciate her kindness and that wonderfful sense of humor that has carried us happily through the year.

Miss Phyllis Decker is a newcomer to our staff. She is a graduate of Western State College. She has charge of the Home Ec. department and the students find it hard to keep from calling her Phyllis.

Mr. Hamilton who joined our teaching staff at the beginning of second semester, teaches junior high and senior high band. This is his second year at Manlius High. We are to glad to have him back with us again this year.

Miss Virginia Lundgren is the high school secretary. She has been with us two years. She is a graduate of Manlius High School in the class of 1952. She is often found after school helping some student or teacher.

Mrs. Jean Yates has been with us five years. She teaches English and girls' physical education. She also has helped in directing many plays. She is always willing to give everyone a break. We all enjoy her good looks and good humor.

Mrs. Johnson has been with us four years and teaches high school girls' chorus and grade school music. Her ensemble and small chorus have been rated first at the district and have gone to the state where the chorus has received first. She often makes us work hard. We enjoy her jokes and advice.

Mr. Bushell, our football coach, has been with us two years. He has done outstanding work with the football team. He also teaches a section of the seventh grade and some eighth grade classes. He is as well-know for his hat as for his coaching ability.

Mr. Gleich, our head coach, has been with us 3 years. He also teaches the boys' shop. Mr. Gleich has done more than his share to lead our team to victory.

Mr. Russell has been with us two and a half years. He teaches ag and he is always willing to help anyone in trouble. He has worked hard at his job and we appreciate his work.

Mr. Vasen has charge of the science department. He has been with us three years and teaches biology, physics, and general science. He also was co-director of the Junior Play. He is always willing to do more than his part. I'm sure everyone will remember Mr. Vasen and his science classes.

Mr. Johnson, our janitor, has been with us for a number of years. We appreciate all the extra work he does for us. We always seem to be spilling something or leaving our lockers open.

Mr. Martin is in charge of the school buses. We appreciate his willingness in taking us to different places.

Mr. Jacques is our night janitor. He also drives a school bus, and he has helped the seniors clean up many times after basketball games.

SENIOR CLASS HISTORY

50-51

On August 28, 1950, 27 freshmen, 15 girls and 12 boys, walked in the doors of Manlius High School to begin their career of high school education. The members of the faculty there to greet us were Mr. Keist, Mr. Rice, Mr. Zuege, Mr. Scholle, Mr. Kinnamon, Mr. Davidson, Mrs. Yates, Miss Code, Mrs. Small, Miss Ropp, and Mrs. Johnson.

Our first activity of our school year was initiation in which we were all very active.

Our officers chosen for the year were as follows: president, Margaret Lind; vice president, Mary Kirkpatrick; secretary, Virginia Bollnow; treasurer, Marilyn Ringenberg. Our sponsor was Mr. Rice.

Beginning the second semester we were joined by two more new classmates, Kay Rumbold and Bob Pyse both from Rock Falls. We lost Phyllis Abrams and Lawrence Allen.

51-52

In the fall of "51" we entered the high school as sophomores. This year we found we had four new members—Bill Carrell from Indiana, Bill Doty and Marlene Thomas from Mineral, and Delbert Clayton from Moline.

Members on the faculty this year were Mr. Keist, Mrs. Yates, Miss Code, Mrs. Small, Miss Hensel, Mrs. Johnson, Mr. Davidson, Mr. Vasen, Mr. Kinne, Mr. Gleich, and Mr. Rice, who was later replaced by Mr. Russell.

This year our main event was the sophomore dance. This dance wasn't too successful, but everyone enjoyed making plans for it. Spin Lawrence and his orchestra furnished the music.

During this year, the class lost Delbert Clayton, Robert Jensen, and Judy Schmitt.

52-53

This year we entered the school as "Jolly Juniors". We had 28 members returned. The faculty changed very little and was as follows; Mr. Keist, Mr. Davidson, Miss Code, Mrs. Yates, Mrs. Small, Mr. Vasen, Mr. Hamilton, Mr. Gleich, Mr. Bushell, Mrs. Johnson, and Mr. Russell.

SENIOR CLASS HISTORY

Officers chosen for the year were president, Bill Doty; vice president, Mary Kirkpatrick; secretary, Marilyn Ringenberg; treasurer, Virginia Bollnow. Our class sponsor was Mr. Hamilton.

On November 11 our class was greatly saddened by the death of three of our classmates—Margaret Lind, Kay Rumbold, and David Van Ormer. Their presence was greatly missed around school as all three were well-liked.

We all looked forward to getting our class rings and we received them on November 24.

Our Junior play was March 27. The play given was "Grandad Steps Out". We enjoyed producing it and think it was a great success.

53-54

For the last year 22 seniors walked up the steps and in the door to finish their high school career. The class lost two more members, Marlene Thomas and Polly Schuneman. Faculty members for this year were Mr. Keist, Mr. Davidson, Miss Decker, Mrs. Yates, Mrs. Small, Mr. Vasen, Mr. Gleich, Mr. Bushell, Mrs. Johnson, Mr. Russell, and Mr. Vroman who was later replaced by Mr. Hamilton.

Officers chosen were president, Bill Doty; vice president, Marilyn Ringenberg; secretary, Virginia Bollnow; treasurer, Judy Allen. Our class sponsors were Miss Decker and Mr. Vroman replaced by Mr. Hamilton.

We were in charge of the concessions at both the football and basketball games. Many of the alumni returned home for our homecoming dance on October 16, following the Manlius vs. Wyanet game. Again we had George Nicholos for our orchestra. To raise money for our seniors trip to Chicago, the seniors gave chili dinners at noon once a month. They also sold magazines and bracelets.

Our senior play, ASK ME ANOTHER, given April 9, proved to be a success. Many of the seniors took part.

Two big projects this year were publishing a school paper once a month and putting out the school annual.

Our year was climaxed by taking a class trip to Chicago the first of June.

CLASS PROPHECY

This is station W. M. H. S. on the air. Your announcer is Bill Carrell, broadcasting from the M M C network. The M M C is owned and operated by Larry Hurst, a wealthy car magnate. As our scouts search the audience, we see several famous faces and among them is the great opera soloist, Marva Buchanan. Marva received her voice training while grooming for contest. We also see Anita Gumfory, the famous supermarket owner. The spotlight now picks out Wilma Ferguson, the well-known missionary, who just returned from Africa. We also see Bob Pyse, Commander of the Air Force. Bob received training while making flying trips to Rock Falls.

In our audience we have several award winners. We see John Rasmussen, who was awarded the model farm for 1964 because of his high corn yield. Opal Jensen, the model WAC for the year, is also seated in our audience. Tying for top honors in the secretarial world are Vannie Swanson and Marlene Oney, the former Marlene Whittaker. The girls received their training in Mr. Davidson's shorthand class..

And now at last the spotlight picks our Marilyn Swartzenruber, the well known supervisor of Elkhart General Hospital. Marilyn now manages her own home as well as a 300 bed hospital. As she is seated on the stage, the announcer introduces Mr. and Mrs. Robert Hartz. Mrs.. Hartz, the former Mary Kirkpatrick, has been the stewardess on the President's private plane. Her husband is a well-known, traveling salesman. He received his driving experience while attending Manlius High.

Now dashing into the studio is Weldon Wilkinson, the famous TV comedian. Screeching to a stop in front of the studio is Kip Gaunt, famous professor at Yale. Naturally, his car was driven by his worthy chauffeur, Dick Anderson. Dick received his experience while hauling a car load of girls during his high school days.

Class Prophecy (page 2)

Appearing in our archway now is Judy Allen, who has become a top flight private secretary to the well-known band leader, Bob Schaefer. Bob was unable to appear tonight because of a previous engagement at the Aragon Ball Room in Chicago.

Rushing here from his debut on Broadway is the "Mysterious Marco" none other then Stan Jensen, the well-known actor. Stan received his experience on the stage at M. H. S.

Coming a great distance from Manlius is Bill Doty. Bill is known throughout the state for his basketball team. Not only have his Manlius Red Devils received trophies for football, basketball, and track but this year they were the winners of the "Sweet Sixteen" state basketball tournament.

The last two people to appear on the program are Mrs. Carolyn Lundgren Butterfield and Virginia Bollnow. They are wearing red corduroy shirts which seems to be a familiar sight to the rest of the class. Mrs. Butterfield is the wife of a rich Shell Oil tycoon and is also a star skating champion.

Virginia is busily engaged in her job as head nurse at the 200 bed hospital at Manlius. She also finds time to act as school nurse for the 800 students at Manlius High.

As the Class of 1954 gathers around, we see many famous faces. As they look back over the years, they remember the fine training they received during their four years at Manlius High.

"This Is Your Life" is awarding to Manlius High a 32 inch television set for the new student lounge. As our program closes, the members of the class of "54" are discussing the good "old" days at Manlius and are recalling their many happy experiences.

In November we made hospital joke books and scuffs. We also had an F. H. A. and F. F. A. party which everyone enjoyed.

On January 16 we held our Winter Prom. The gym was beautifully decorated. Marilyn Ringenberg was crowned queen and Theora Wiseman and Janice Johnson were her attendants. Dancing to Doc Hunt's Orchestra was enjoyed by all.

In February Genevieve Hansen, a beautician, gave a talk on the care of hair. It was not only informative but also very interesting.

We held a Craft Night. Basketry, wood fiber flowers, and shell craft were demonstrated. To conclude our very successful year in F. H. A., we are having a picnic at which we will hold election of officers.

HONOR SOCIETY

1. Aims and Ideals

Character, scholarship, leadership, and service are the ideals of our Honor Society. We know that the young men and women who possess these qualities today will be the leaders of tomorrow. These students who will become members of our society have been chosen because they possess these qualities. It is the aim of each member of the society not only to possess these qualitys, but also to uphold them so that he shall induce others to aspire to scholarly habits, worthy service, and active leadership.

2. Officers

The following are last year's officers:

President.....Marilyn Ringenberg
Vice Pres.....Lewis Reed
Secretary.....Jeanette Berry
Treasurer.....Judy Allen

The following are this year's officers:

President.....Virginia Bollnow
Vice Pres.....Marilyn Ringenberg
Secretary.....Jeanette Berry
Treasurer.....Judy Allen

3. New Initiates

We have six new members who have joined us this last semester, they are—
Theora Wiseman, Ronnie Nordstrom, Patti Anderson, Betti Anderson, Marlene Whittaker and Kip Gaunt.

Last year the following people were in the society:
Judy Allen, Marilyn Ringenberg, Kate Brown, Marilyn Salzmann, Lewis Reed, Irma Beth Dabler, Pat Johnson, Wilma Ferguson, Larry Wright, Marva Johnson, Jeanette Berry, and Virginia Bollnow. Kay Nelson and Katherine Miller joined us the first semester.

4. Meetings

Last year we had several meetings and elected officers. This year we have had three meetings and we elected new officers and Mr. Keist gave a talk on the aims and ideals of the Honor Society. One other meeting was conducted on November 30 and we discussed a trip, and after we discussed this, refreshments were served. On February 9, we had a meeting and decided about our plans for the trip. We had our picture taken at this meeting and no refreshments were served.

5. Plans for trip

We decided to take our trip to the Ice Capades in Chicago, on March 27, 1954. Our transportation was four cars in which all fourteen of us rode. We thought this was a very enjoyable and pleasurable trip.

D. A. R.

Marilyn Ringenberg has been selected as a winner of the DAR Good Citizenship Award from Manlius High School. This is an honor bestowed on a senior girl each year. This announcement was made by the local chapter of the Daughters of the American Revolution.

Selection is based on dependability with emphasis on truthfulness, honesty, punctuality, leadership, self control, initiative, patriotism, and unselfish loyalty to American ideals. Students of the senior class chose three candidates for the award and presented them to the faculty. From these three the faculty chose one girl.

The aim of the project is to build youthful character and to call attention to those qualities desirable in good citizens. It is not considered a popularity contest.

LIBRARIANS

Fifteen librarians, under the supervision of Mrs. Small, volunteered for service this year. It has been their duty to aid people in the selection of books and also to keep the library neat, as well as to check books in and out.

The librarians this year are as follows: Marlene Whittaker, Marilyn Ringenberg, Katherine Miller, Kay Nelson, Carolyn Lundgren, Anita Gumfory, Virginia Bollnow, Gerald Pierson, Ronald Nordstrom, Marlene Cox, Barbara Reed, Elaine Hartz, Jeanette Berry, Anita Raabe, and Vannie Swanson.

Junior All-School Play

One-act Play

SENIOR PLAY

The seniors of '54 presented their class play, "Ask Me Another," April 2, 1954. The cast gave a good performance and the play itself was an "overwhelming" success.

The cast included:

Wilma Shepard (an office girl, 16).....Virginia Bollnow
Mr. Gates (managing editor of The Herald, 50).....Bill Doty
Mrs. Snell (society editor of The Herald, 50).....Vannie Swanson
Harriet Hogan ("Aunt Sally," a cookery expert, 30).....Wilma Ferguson
Joyce Martin (a young newspaperwoman, 21).....Mary Kirkpatrick
Mike Warren (a reporter on The Exerminer, 24).....Weldon Wilkinson
Joe Weber (a detective, 35).....Bob Schaefer
Eloise Archer (a society girl, 22).....Judy Allen
Mrs. O. B. Hammond (a wealthy widow, 45).....Marilyn Ringenberg
Frank Sylvester (a cook, 40).....Clifford Gaunt
Marco (a mystic, 30).....Stan Jensen
Shorty Cass (an underworld character, 25).....Bob Hartz

The story of this play centers around the newspaper office of The Herald. They have been currently running a column in the paper called Marco. He answers questions that people write in and ask him. No one knows that there isn't any Marco, that a reporter on the Herald made him up and answers the questions herself. When the real Marco shows up, things start happening at the Herald.

JUNIOR CLASS PLAY

The all school play sponsored by the Junior Class was held on November 20, 1953.

This amusing story revolves around the complications arising when Pamela Jones, president of the student council for Ames High, takes over as principal for the day.

Mrs. Clendenning: Elaine Hartz
Miss Ogilvie: Janice Johnson
Mr. Harper: David Jacobson
Coach Guthrie: Ronnie Nordstrom
Mrs. Lundquist: Gerald Pierson

STUDENTS: Pamela Jones: Sally Dabler

ONE ACT PLAY

The one act play, "No Greater Love", was given at LaMoille, March 18, in the Little Eight Play Contest. The play was directed by Miss Peters.

The cast was as follows:

Ester Norcliff ..... Marlene Fordham

Dr. Wright .....Bob Schaefer

Stelle Conwell ..... Sally Dabler

Grant Miller .....Robert Hartz

Helen Kirkpatrick ..... Mary Kirkpatrick

Patterson ..... Gerald Pierson

Gerald took the place of Bobby Nelson who became ill the day before the play was given. This is a story of a woman whose bitterness almost overcomes her loyalty to her country but she proves her loyalty by giving her life to save the munitions plant.

The second class elected the following officers:

Consul ..... Patti Anderson

Quaestor ..... Norman Berry

Scriba ..... Clifford Jensen

The clubs met once a month. Various games were played and songs were sung at each meeting. At Christmas we had a gift exchange, and through the entire year we have enjoyed all the privileges of the organization.

DRUM MAJORETTES

As this was the first year of our marching band, we naturally had to have some majorettes. The girls chosen were Maxine Fisher, Charlotte Fisher, Dorothy Martin, Barbara Reed, and Beverly Bruhn. These girls, with their white satin suits, did much to improve the appearance of the band by marching with it at every game.

ANNUAL STAFF—1954

The production of the annual this year has been a great deal of work. The editors, as well as the remainder of the staff, have had many interesting experiences—rounding up people for their pictures and encountering difficulties. The difficulties, however, were straightened out and the staff present the 1954 MIRROR with the hope that it will be enjoyed by all.

CHEERLEADERS

The student body chose two teams of cheerleaders. The Varsity cheerleaders were chosen from the entire student body and the Junior Varsity were chosen from the freshman and sophomore classes. The Varsity Cheerleaderes were: Mary Kirkpatrick, senior; Sally Dabler and Ethel Hartz, Juniors; and Marlene Fordham, sophomore. The Junior Varsity included: Barbara Hurst, Janice Johnson, Dorothy Martin, and Anita Raabe all freshmen.

SCHOOL PAPER

THE REFLECTOR, our school paper, is published monthly by the senior class.

We have had a lot of fun and gained a lot of experience in the newspaper field.

The object of the paper is to cover all the school events and coming activities. The paper covers sports, class news, FFA and FHA news, National Honor Society, Horizon Club, Pep Club, staff, chorus, band, senior sketch, jokes, and gossip.

The paper staff is as follows:

One of the projects carried out during the year decorating for the football game o n"Dad's Night." The girls sold balloons to members of the Pep Club.

FOOTBALL

At the start of the season the possibilities of Manlius fielding a football team that would even finish in the first division was discounted by all sports writers; however, Coach Bushell, assisted by Mr. Gleich, assembled such a power house that the Red Devils made a shambles of the Little Eight race, winning the Little Eight Conference Championship.

Manlius placed four on the first All Star team—Doty at end, Croegaert and Nelson at tackles, and Tracy at halfback. Bob Pyse and Dick Johnson were picked on the second team and Bob Smeltzer made the fourth team. We used a two platoon system, our offensive team averaging fifty points a game and our defensive team allowing only nine points a game.

The defensive team was the best in the circuit. The following boys formed the nucleus of this years defensive team:

Ends:.....Schaefer — Martin

Tackles:.....Nelson — Croegaert

Line Backers:.....Gaunt — Smeltzer

Safety Spot:.....Jensen — Doty

They were comparatively small but their alertness and aggressiveness caught most opponents flat-footed.

Our offensive power was also outstanding as we had runners, drivers, passers, and receivers. All of the boys had to be watched and that is one of the reasons why we were the leading scorers of the Little Eight Conference. Below is the offensive line-up.

Ends:.....Pyse — Doty

Tackles:.....Croegaert — Nelson

Center:.....Smeltzer and Anderson

Quarterback:.....Johnson

Half Backs:.....Tracy — Hensen — Eickmeier

The Frosh-Soph team was composed of 17 freshmen and three sophomores. They played three games, winning two and losing one. Many of these boys saw action with the varsity and gained much experience for the coming years. Two sophomores, Skip Anderson and Marshall Kinsley, won major letters.

We should have another good team next year and, if the Frosh-Soph continue to get this valuable game experience, we should be tough for several years to come.

The Manlius Red Devils, coached by Mr. Gleich, came back to successfully defend their Little Eight conference basketball crown with five returning letterman and a squad of 35 men.

Back from last year's championship squad were regulars—Dick Anderson, Dick Johnson, and Bill Doty who with the help of Bucky Hensen, Stan Jensen, and Roland Croegaert completed the conference season with nine straight victories and a 20-7 season record.

The Red Devils without an abundance of height, seems to make up for the lack of height with their speed and aggressiveness, with the will to win. The team won the first Annual Ohio Holiday Tournament defeating Franklin Grove, Walnut and Tiskilwa to earn this honor. In the Little 8 Tourney we beat Wyanet, lost to Sheffield, and then defeated LaMoille in an overtime to take a third place trophy. In the District we lost out to LaMoille in an overtime in the semi-finals.

The Fresh-Soph. completed their season with a 14-8 record. This year they were coached by Mr. Keist. Manlius was one of the few schools that used only Fresh-Soph's on their squad which in part account for some of their loses.

Basketball practice started with only two lettermen returning from last year squad—Marvin Anderson on the heavyweights and Alan Davidson on the lightweights. Though Coach Bushell had to use relatively inexperienced boys to mak up the rest of his team, he was able to assemble a group that was a credit to the school.

The heavyweights were: — Marvin Anderson, James Chesney, Charles Peterson, and James Rashid as forwards; Bob Funderberg, Jerry Burba, and Roger Jones at center; Joe Niedziela, Harold Miller, Art Dobbeke and Ronnie Hard at guards. Marvin Anderson was high point man on this squad with 150 points.

The lightweights were Marty Bracke, Ronnie Anderson, Larry Hansen, Duane Wirth at forwards; Gary Pyse and Brian Raabe at center; Alen Davidson, Duane Martin, Don Funderberg, Joey Michlig, Alan Specht, and Max Chesney at guards. Alan Davidson was high point man with 118 points.

All boys put up a great fight and showed great improvement as the season progressed.

In the fall we played softball, winning two and losing three. The team was as follows: pitcher: Marvin Anderson; catcher: Don Funderberg; 1st: Alan Davidson; 2nd: Ronnie Anderson; SS: Joey Niedziela; 3rd: Bob Funderberg; LF: James Chesney; CF: Jerry Burba; RF; Marty Bracke. The team was coached by Mr. Engen.
